Crystal Gateway Marriott
Arlington, VA

Accessibility Awareness as an Organizational Approach

Session Description

- Session will assist participants to understand the impact of inaccessibility of I D E A Data Reporting, how accessibility enhances capacity for all stakeholders to participate in decision-making, and how to support an intentional shift in organizational activities that supports full access for everyone. Rhonda Weiss Center for Accessible I D E A Data Reporting is available to states with technical assistance to that may be necessary to states to ensure their reporting processes are accessible.

Critical Information
