

Engagement Guide

Program Agenda

Featured Sessions cover salient topics selected by OSEP leadership and deliver **critical information**.

Enrichment Sessions offer opportunities for grantees to share their work. These sessions allow for deeper engagement and even some hands-on learning experiences.

Featured Sessions

- Plenary Sessions
- Implementation Showcases
- Impact Panel
- Program Area and/or State Team Meetings

New: Access AI-generated live captions during sessions!

Visit the Live Captioning tab of the conference app to learn more.

(CART still offered on request)

Enrichment Sessions

- Talks
- Scholar Sessions
- Posters
- Technology Demonstrations
- Meetups and Workshops
- Early Bird, Evening, and Post-Conference Sessions

Your Feedback Matters!

An overall conference evaluation will be shared the final day of the conference!

Download the App!

Create a personalized agenda, access captions during sessions, and learn about everything conference-related in the conference app!

Conference Information

If you have additional questions, email the OSEP Conference Planning Team at osep-meeting@air.org

Know Before You Go

Quick Tips:

- Use the **conference app** to create a custom agenda and access all conference information.
- Identify **multiple sessions** at the same time and rank by priority. If a room is full, visit your next choice!
- Review **FAQs** in the conference app for answers to commonly asked questions.
- Stop by the **Registration Desk** to ask conference staff questions.
- **Take breaks** when you need them!

A **complimentary shuttle service** is available from Ronald Regan Washington National Airport (**DCA**) to the Crystal Gateway Marriott.

Crystal City, VA **Weather Forecast** for August 6-8. Average High of 90° F and low of 70° F.

The conference space can be chilly! Plan to **dress in light layers** to accommodate for changing temperatures.

Download the conference app to create a personalized agenda, view meeting locations, learn more about presenters, access captioning provided by Wordly, view session materials, and receive important notifications.

Have an **accessibility need**? Stop by our **Information Table** onsite to learn about Wordly captioning, CART options, ASL and Spanish interpretation, relief points for guide dogs, tactile maps, and more.

Quick grab-and-go options provided by the hotel will be available onsite. A list of **nearby dining options** also is available on the conference website's [Lodging, Dining, and Activities](#) page as well as in the conference app.
